Sub: Establishment- Bellary district- Civil Supplies
branch- Reintroduction of intensive procurement-
Additional staff beyond 31-3-1949- Proposals-
Submitted.

Ref: This office R.C. No.11725/48, dated 8-12-1948.
Board's Ref. No.FII. 131759/48, dated 19-10-1948.
Board's Ref. No.FII. 157938/48, dated 20.12-1948.

Consequent on the reintroduction of intensive procurement I submitted proposals in my reference cited above, for the

employment of additional staff comprising the following:-

One Taluk Supply Officer in the grade of a Deputy Tahsildar at Yemminganur.

Two Reception Deputy Tahsildars for work at Adoni and Hospet.

Ten Lower division clerks for work under the ten Taluk Supply Officers.

Two Lower division clerks for the collector's office.

Twenty seven Firka Supply Officers.

Thirty one peons.

2. In its reference No.131759/48, dated 19-10-1948, the Board was pleased to inform the Government, that it permitted the Collector to employ the staff in anticipation of sanction. I submit that the additional staff mentioned above is attending to work pertaining to intensive procurement and rural rationing, which is likely to continue beyond 31-3-1949. Correspondence relating to the working, Rural Rationing and procurement, is being attended to in the taluk offices by the clerks sanctioned for work under each of the ten Taluk Supply Officers in the District. The several periodicals relating to the procurement, Rations and other control orders have to be prepared by these clerks. Similarly the work in the Collector's office on the Civil Supplies side is on the increase. The lower division clerks sanctioned for this office are attending to this work.

3. Hence, I request, that, the Board may be pleased to recommend to the Government the continuance of the clerical staff comprising of the twelve lower division clerks for a further period of three months from 31-3-1949. A detailed statement of the work done is enclosed.

4. Now, that, the procurement work has gained momentum, a complement of the full staff is necessary. The Taluk Supply Officer sanctioned for Yemminganur and the twenty seven Firka Supply Officers are absolutely necessary. I request that, the Board may be pleased to recommend my proposals to retain this executive staff till 30-6-1949 from the date of expiry of their terms of office.

5. Regarding the two Grain Reception Deputy Tahsildars, sanctioned for work at Adoni and Hospet, I consider their continuance is necessary to arrange for the reception and storage of imported grains and other allied work. The sanction may also be obtained for their continuance till 30-6-1949. In the meanwhile I shall submit proposals for their disbandment after watching the arrival of the imported grains allotted to this district.

In view of the proposed extension of all the staff till 30-6-1949, there will be no possibility to retrench any of the peons sanctioned. Their present strength of thirty one may be continued till 30-6-1949.
